

# YOU WERE MADE TO BE FREE

You are Invited to Join the BEING HUMAN Tribe, a new paradigm for community in the New Era.

## DISCOVER WHO YOU TRULY ARE & AUTHENTICALLY FLOURISH.

### The GATHERING, a 2 night RETREAT

What happens when you take 3 days to step out of the hustle, drop into Presence & return to the essence of YOU?

What would it feel like to immerse yourself in a beautiful serene space nestled in nature by an undisturbed lake? Where you were gently guided in rediscovering your center, releasing the roles of daily life, and allowing yourself to receive what you need to flourish?

If you are seeking an enriching space to recharge, experience ShiFt and reconnect with your true self, we invite you to join us at our annual **BEING HUMAN AS YOU™** retreat at the gorgeous **Charlson Meadows** on Lake Zumbra in Minnetrista, MN September 12-14, 2019.

***Release the past and live your unlived, most fulfilling and meaningful life.***
